

## FINE FLOORING

There maybe nothing more significant than a flooring upgrade to change the personality and value of your home. Advocate does several types of hard non-allergenic types of flooring, especially after a water damage loss. We do hardwood, engineered hardwood and synthetic floors, luxury vinyl tile and porcelain tile installations – we do not do carpet or vinyl sheet goods and from an indoor air quality standpoint, in the Florida and Alabama coast areas we recommend you don't either!!!

**PORCELEIN SIMULATED WOOD FLOORING, ON SLAB INSTALLATION WITH NEW MOLDINGS AND BUILT-INS ON THIS ADVOCATE FINISHED BASEMENT REMODEL.**

THIS IS A FOUR SEASON SUNROOM/LANAI WITH CUSTOM INLAY AND BORDER USING A NON-SLIP 12x12 TILE

THIS CUSTOM KITCHEN FLOOR WITH INLAY PATTERN WAS DONE BY ADVOCATE IN THIS BEACH CONDO ON THE PIER IN NARRAGANSETT, RI

HEART PINE MOPPED OIL HARDWOOD FLOOR. ADVOCATE ALSO DID THE FIREPLACE AND THE FRONT TILE WORK ON THE HEARTH.

THIS IS AN ENGINEERED OAK FLOOR. THIS DIAGONAL PATTERN WAS INSTALLED OVER A VAPOR BARRIER ON-SLAB. WE ALSO BUILT THE HEARTH SLAB, AND DID A TILE HEAT SHIELD BEHIND THE WOOD BURNING STOVE AT THE HOME.

THIS WORK IS PART OF A WHOLE HOUSE REMODEL, USING PORCELAIN TILE IN A WALL TO WALL UPGRADE IN THE OPEN GREAT ROOM SECTION OF THE SPLIT FLOOR PLAN . THE 5 ¼ INCH SPRUCE SPEEDBASE MOLDINGS THROUGHOUT THE HOME ALONG WITH NEW WIDE HIGH GRADE DOOR CASINGS AND GRANITE COUNTERS WITH CORBELS MAKE FOR A CLASSIC LOOK AND FEEL.
